## About us

Novus Biotech LLP is a professionally managed growing pharmaceutical company. Novus Biotech LLP is a part of Novus group engaged in the business of Software Development, Logistics & Pharma marketing & distribution.

We at Novus Biotech LLP believe in the philosophy of good health for all and we aspire to achieve this mission by providing international quality medicines at affordable prices.

Quality has always been the hallmark of Novus Biotech LLP. Our products are made in plants which are approved by FDA (India) and other competent authorities and we strictly adhere to the highest manufacturing and quality standards.

## Vision & Mission

### Vision

Novus Biotech is dedicated to providing its customers with the best value in a cost-effective manner. As an organization we place a strong emphasis on quality, our vision is centered around delivering high-quality products and services that meet the needs and expectations of our customers.

Customer satisfaction is a top priority for Novus Biotech, and we strive to achieve this by consistently delivering products and services that meet the highest standards of quality. By focusing on quality and customer satisfaction, Novus Biotech aims to build long-lasting relationships with its customers and establish itself as a trusted and reliable provider of pharmaceutical products.

### Mission

At Novus Biotech LLP, we are dedicated to providing our customers with the highest level of satisfaction and achieving a leadership position in our chosen markets, products, and services around the world. We strive to achieve this through our commitment to excellence in technology, which is based on world-class research and development.

Our company operates with the highest ethical standards in all of our practices, and we believe that this is essential to our success. By adhering to these principles, we aim to establish ourselves as a trusted and reliable provider of pharmaceutical products and services that consistently meet the needs and expectations of our customers.
